&

Zoll Data Systems Workshops

**March 1-3, 2006**

## **DAY 1 & DAY 2**

### **RescueNET**

#### **WorkShops**

*Sessions will run between 8am - 4pm,  
Continental Breakfast & Lunch will be provided*

**Zoll Data Systems  
269 Mill Road  
Chelmsford, MA 01824**

Throughout this two-day training experience, Amy Machacek will lead participants through various topics specific to running and harnessing the power of RescueNET Billing. Additionally you will have the opportunity to explore and practice your new skills in RescueNET 3.80!

All sessions are excellent learning experiences for new employees, staff being cross-trained in new areas of the application, and as a refresher course for users who have been using the system and are interested in updating their knowledge base with the latest functionality that has been introduced over the last few releases of this application.

#### **Who should attend:**

- **New RescueNET Billing Users and Administrators.**
- **Existing Users and Administrators wanting refresher training and update on new 3.70/3.80 functionality.**

The Administrative session will focus on RescueNET Billing Administration functions as we explore best case configuration options to help you hone your system to provide the most automation and functionality to your users. We will dive into RescueNET Reporting and uncover secrets to capturing the critical data your organization requires to perform at its best.
